MEMORANDUM FOR THE RECORD

SUBJECT: OTR Education Committee Meeting

25X1A9a 1. The OTR Education Committee met on 19 December at 1300 hours. The purpose of the meeting was to display primarily to the OTR School and Staff Chiefs the technique of "gaming" as an instructional device. [REDACTED] of the Management Training Staff, IS/PR prepared and presented this device.

2. It was apparent that considerable time and effort went into this demonstration. Even though it had to be presented under artificial conditions as to time limitations and its real effectiveness and depth of student involvement were influenced by this limitation, I am certain that the personnel present now have a much better first-hand knowledge of this technique and the implications it has as an instructional device.

25X1A9a 4. Letters of appreciation have been sent to [REDACTED] 25X1A9a [REDACTED] for their effort in this meeting.
